

Xumane Recognised with G2 Spring 2025 Badges

We're proud to lead with exceptional user satisfaction and industry recognition in the **G2 Spring 2025 Awards**.

G2 has been recognising us since 2024 with badges in Winter '24, Winter '25, and now Spring '25. It's a reminder that the work we do and the trust our users place in us truly matter.

But what means the most isn't just the recognition, it reflects the trust and appreciation from businesses across India. These badges are proof of the actual feedback from companies across India and the dedication of our team behind the scenes.

Why This Matters?

- ◀ G2 Badges are earned **100% through real user reviews**
- ◀ Reflects **strong performance** in compliance, transparency, & engagement
- ◀ Represents **pan-India adoption** and relevance

Why Customers Trust Xumane?

- ◀ Easy to use and quickly customizable by HR & finance teams
- ◀ Built for compliance with reliable backend and clear audit trials
- ◀ Smart and scalable as it evolves as your team expands and needs evolve

Trusted by Teams Like Yours

The platform's intuitive design and advanced features make overseeing SAR payouts effortless while ensuring precision and efficiency.

Bhuvaneswari Mohan
Assistant General Manager

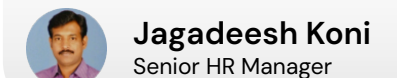

Despite our complex requirements, including multiple stock option plans, the platform made it possible to go live real quick. Its intuitive functionality has made the ESOPs management process more efficient and transparent.

Gangadharan C
Senior Manager

They swiftly addressed any challenges faced by employees, offering personalized support through one-on-one calls. Their attention to detail and dedication made the experience seamless.

Jagadeesh Koni
Senior HR Manager

Earned by maintaining **65+ reviews with a consistent 4.0+ star average rating.**
